 - d. Covered Bridge Days → Friday, August 13th - Sunday, August 15th / *Information Booth on Saturday morning
- *Community Scan (electronic submission)

Victoria Solomon → Facilitating a discussion to revise the Vision and Mission Statements, and create Value Statements

- We created a living document as group
 - Victoria typed while we took turns volunteering our thoughts
 - We took time to look at the possible edits and give feedback and come to consensus
- Mission Statement
 - should establish the purpose
 - should be short, understandable, recognizable
 - should use the active tense so we are focused on ACTION
- We will need a separate meeting for Vision and Values statements
- Jason, Stephanie, Krista and Victoria will meet to “polish” the mission statement the week of July 12 to be able to present to the coalition at the next meeting.

Next Meeting: Tuesday, July 19th, 2022
